

A Bridge Across Our Two Vermonts

Vermont is not immune to issues like addiction, housing insecurity, and poverty. In recent years these overlapping problems have strained resources across the state, and can divide communities as they struggle to find solutions.

Join Will Eberle as he explores how to surmount the effect of bias and stigma so we can improve the health, happiness, and sense of belonging for all Vermonters.

WHEN: SATURDAY, MARCH 22ND
WHERE: BPL COMMUNITY ROOM
TIME: 10AM-12PM

This event is sponsored by Vermont Humanities Council and hosted by Brown Public Library
